

Why Use QuickBooks Accounting Software?

It's quicker than paper, easier than Excel - and helps you understand your business

Business finances can be boring. If they're not boring, they're often scary. And if they're neither of those things, perhaps they're just impossible to understand.

QuickBooks probably won't make doing your accounts exciting. But it will make it easier to get on top of your company finances - and quicker too. **After all, 8 out of 10 users say QuickBooks helps save time on their accounts.**

- ✓ **Organize your finances all in one place**
- ✓ **Quicker, easier and more flexible than paper and spreadsheets**
- ✓ **Grow with easy-to-use business planning tools**
- ✓ **Be more efficient: track cash flow, invoices and payments in one place**
- ✓ **Store all your customer information and financial details in one place**
- ✓ **Automate day-to-day tasks like producing estimates and invoices**
- ✓ **Produce reports to give you an overall view of your business**
- ✓ **Attach files and documents to transactions so you can find them easily**
